President's Message

Well the year is almost over so this is my last letter as president of ROSTEA . It's been a challenging but rewarding experience and I thank you all for your patience and support. I hope you'll be able to join us at the Hacienda Mexican for our end of the year banquet. Let's all reach out and show our support to our friends and our association. With the state of the economy being what it is, next year will hold new challenges for all of us and we'll need each other more than ever.

I'd like to thank the guys at North Rockland High School for hosting a great Meeting last month. The 3D printer was pretty cool.

Last but not least please consider stepping up to become President Elect or Vice President for next year. I know how difficult it is to find time to take on more responsibility but for ROSTEA to work we need your help.

IT'S HERE
